

We feel that KLOVE, a national radio station heard over a FM translator service, serves the public interest in our area. It provides positive and encouraging messages and music as a Christian radio station. It would be a terrible loss to our community if this station were forced off the air because it was displaced by an LPFM broadcaster providing other programming. KLOVE provides Christian music to this area and across the country. No other stations in this area provide the same type of format. Please do not allow LPFM service to push KLOVE off the air. Thank you.
